Biography

Death Metal, Grindcore, Groove, Latin influences and Indigenous roots? Yes all that is Misticia, a band from Andes mountains, Suacha, Colombia formed in 6-6-99 by Diego R. Cruz and Hernan Martinez playing the guitars. And from the well-known bands Aardvarks and Bethlehem closing this smashing cross cultural line up doing vocals the German-Bolivian Guido Meyer de Voltaire, and is one of the first Colombian bands including in their music indigenous folklore, the lyrics are mostly in Spanish with some traces of native.

They have recorded the Ep "Welcome to Utopia" and the album "'Sickness of the earth" Mastered by Andy Classen (both available to be downloaded) and are getting ready their third iteration with the famous producer Daniel Bergstrand (Messhuggah, SYL)

Current lineup

Camilo Donneys - Drums

Hernan Martinez - Guitar
